Roland Garros Tennis Social

Register in the Tennis Pro Shop.

New Summer Tennis Clinics!

Bootcamp Doubles – Tuesdays 9:00am-10:00am

In this one hour session, you will work on your strokes and get a great aerobic workout. We will get you moving! Whether you are a complete beginner or an ex-professional, we will get you burning calories and having a great time! All levels are welcome.

Doubles Strategy con Marco – Wednesdays 9:00am-10:00am

If you enjoy standing in line, waiting for a pro to feed you two balls, then going back to the end of the line only to again wait, then this is not the clinic for you. This is the exact opposite. Here, we will focus on high energy, continuous-play tennis games. Fun & competitive point play will improve your fitness, footwork, reaction time, net game, and strategy arsenal. Open to all levels of play, men and women welcome!

Drill & Play – Thursdays 9:00am-10:00am

This clinic is offered for players of any level and feature a tactical approach to building a player's game. Doubles play patterns are developed through a progressive use of tactical dead ball, live ball and competitive decision making drills and games. If you are comfortable with your shot making, this is the program for you.

Junior Tennis Clinics

Through our partnership with LOTA Tennis Academy, we are now able to offer junior tennis clinics Monday-Friday to our Grand Harbor Members. All ages are welcome. Please reach out to the Tennis Pro Shop for a full clinic schedule.
